& Washington Counties*

**There may be local resources available for you, whether or
not you applied/received other assistance.**

**A trained disaster case manager can partner with you
(regardless of income) to:**

- Be your **advocate**
- **Answer** questions about recovery
- Develop a **plan** to address needs
- Connect you with **community resources**
- Determine what other **assistance** may be available
(some **resources may change over time** as recovery progresses)
